Wordplay

A wordplay is where you choose a word or name and use each letter in the name as the beginning of a word or line that says

something about that person or topic.

Example: A wordplay using the word "SUN".

Sometimes when we go to the beach, we get sunburnt.

Usually, if I put sunblock on my skin, I do not get burnt.

Noon is when I'm really prone to burn.

Write the wordplay using the word below.
