Wordplay

A wordplay is one where you choose a word or name and use each letter in the name as the beginning of a word or line that says something about that person or topic. Example: A wordplay using the word "SUN". Sometimes when we go to the beach, we get sunburnt. Usually, if I put sunblock on my skin, I do not get burnt. Noon is when I'm really prone to burn.

Write the wordplay using the word below.
