Topic: Educational trip

Directions: Suppose you are travelling from New Delhi to Jaipur by road on an educational trip. Write a story about your trip using the following words:

bus	motion	speedometer	odometer
uniform motion	non-uniform motion	speed	average speed
velocity	distance	displacement	acceleration
time taken	kilometres	hours	

On our educational trip we travelled by road in a bus.

On the road we found mile stones indicating kilometres.
