ID No.....

Speak Your Mind

Q. The scientists and the media made the life of Cutie Pie miserable. Do you agree or disagree?

Ans.

Agree

He was held like a prisoner with scientists pouring in and out of the glass prison but no one to talk to or explain...

Disagree

The scientists meant well and even provided the right kind of atmosphere for Cutie Pie to survive...

Project Work

Cutie Pie is a science fiction. Read any other science fiction and note down details such as:

(i) Name of the book

(ii) Name of the author

(iii) Protagonist

(iv) Story/Theme

(v) When was it written?

(vi) How popular was it?

Paste the picture of
the author
